**A** – Activities that are offered all year long, for any season.

(\*) Tubing – Single riders get 8 minutes per person & double riders get 10 minutes.

(\*\*) Paintball is an activity that needs to be set up in advance; therefore, we need to know 1 day before your scheduled paintball session how many people will be playing. If paintball is canceled after Camp Monadnock sets up for the activity, then a paintball setup fee of \$100 will be billed to your group invoice. Camp Monadnock paintball permission slips are required for all participants. Participants must be 12 years old and up, and those 12-17 years old need a parent or guardian signature. 18 and up can sign for themselves. These forms can be found on [www.berea.org/forms](http://www.berea.org/forms).

(\*\*\*) Ask for a list of large group games; some games require an extra fee for materials.

# ACTIVITY DESCRIPTIONS

## WATERFRONT ACTIVITIES:

**Swimming** – Swim at your own risk, but lifeguards may be available to hire. Pool is available year-round.

**Canoes & Kayaks** – Participants sign out canoes/kayaks and pick up lifejackets and paddles with our staff.

**Boat Rides and Tubing** – Participants meet a staff member at the waterfront to get lifejackets and board the boats.

## ADVENTURE ACTIVITIES:

**Climbing Tower** – Camp Monadnock has one outdoor climbing tower with multiple climbing routes for different skilled climbers.

**Challenge Course** – Our low ropes course is made available to groups for teamwork and trust-building exercises. Many elements require patience, teamwork, problem solving and good listening to succeed. This is a class that everyone involved will have to be present at the beginning.

## TARGET ACTIVITIES:

**Archery** – Fire an arrow from a bow at one of four different targets of varying levels. Hitting the bullseye was never more fun!

**Archery Tag** – A unique sport that combines elements of dodgeball and other combat-type games with the timeless skill of archery. Players take aim at each other with non-lethal arrows to eliminate the opposing team members.

**Hatchet Throwing** – Using one of our hand axes, try hitting one of our wooden targets. It's a fun challenge!

**Paintball** – A competitive team activity where you eliminate the other team by hitting them with paintballs (round, breakable dye-filled oil and gelatin balls), shot with compressed-air paintball markers. Camp Monadnock has a speedball course for one-hour sessions with multiple rounds (allowing participants to get a taste of the experience at a lower cost).

## OTHER ACTIVITIES:

**Snow Tubing** – Snow tubing is only available in the winter when there is adequate snow on the ground. *All tubing is dependent upon weather conditions.*

**Large Group Game** – Camp Monadnock runs many different games during our own programs and gives those renting our site the opportunity for a Camp Monadnock staff member to run one of those games. If you have one in mind, let us know, or we can choose one for you.

**Mini Golf** – 9-hole mini golf course in the 2<sup>nd</sup> floor of the Red Barn.

**Inflatables** –Jousting—1-on-1 combat to see who can knock the other off the platform first.

**9 Square** – A 9-person version of 4 Square but the whole game is played in the air above your head.

**Wagon Ride** – Check out the property with a relaxing ride around the property. Rides can be short and quick or long and leisurely. Nighttime rides up to one tree hill to star gaze are one of a kind.

**Sumo Suits** – Challenge your friends to a sumo wrestling match in our padded sumo suits.
