### Greenhouse Events

While we understand that issues may arise, **no refunds can be issued within 30 days of these events** because of the necessary pre-planning and ordering of materials and meals. Registrations may be transferred between individuals. Cancellations more than 30 days out may be donated or refunded.

## Transfer Policy

Campers may transfer their full payment from one year to the next. **Campers will be responsible to pay the balance if there is any change in price.** Campers may also transfer payment to another within their immediate family (i.e. sister's Summer Camp payment can go towards Family Camp) within the same year or the following calendar year. **Payments can only be transferred forward one year and are non-refundable at that point.** For men's and women's retreats only (because they are heavily group-based), campers may transfer their payment to someone outside their immediate family for the same or following calendar year as well.
