Private Bunkroom Cabins: All cabins can be used as Private Bunkroom Cabins. The Private Bunkroom option is ideal for singles who want their own room at a more affordable rate, for couples, and for small families. - **Shared Bathrooms:** These rooms share a communal bathroom attached to the building. These rooms sleep from 1-12 guests.

DORM OR PRIVATE BUNKROOM?

When you book your retreat at Camp Monadnock, the Guest Group Manager will provide you with your housing assignments. That way, when the time comes, you can assign each member of your group their specific cabin. How you assign your group members will dictate if you pay the **DORM** rate or the **PRIVATE BUNKROOM** rate. Below is a guide to help you figure out what you would be charged based on the number of people in each cabin. It lists all of Camp Monadnock’s cabins and how many people can fit in each room. It will also help you determine the potential full cost of your retreat.
